

2004 Virginia Breeders' Fund Bonus Payments

Let's take a look at the 2004 Virginia Breeders' Fund program. First, remember that 1 percent of every dollar wagered on Thoroughbred racing in Virginia goes into the Fund, which amounts to about \$1 million. Fifty percent of that total goes toward restricted races for Virginia-breds and owner awards; 35 percent to breeder awards and the remaining 15 percent to stallion awards. In 2004, a total of \$1,008,131 was distributed from the Fund.

The Fund was distributed as follows: \$295,000 went toward stakes races at Colonial Downs and Delaware Park; \$186,120 was disbursed to the 40 percent owner awards bonus program during the Colonial Downs meet; \$368,788 was disbursed to breeders of winners in Delaware, Maryland, Virginia and West Virginia; \$158,223 was disbursed to owners of stallions whose progeny also won in Maryland, Virginia and West Virginia.

One hundred thirty-seven breeders won a total of 194 awards, resulting in a 13.5 percent of the winner's share of the purse. Of those awards, two were earned in Delaware (at Delaware Park); 95 in Maryland (at Laurel, Pimlico and Timonium), 29 at Colonial Downs in Virginia and 111 at Charles Town in West Virginia.

At Colonial Downs, owner awards are included in the purses and are paid down to sixth-place.

A total of 104 different owners won 194 awards.

Thirty-two stallions won a total of 109 awards for wins in Maryland, Virginia and West Virginia, resulting in a 13.2 percent of the winner's share of the purse. The number of awards were distributed as follows: 43 (Maryland), 13 (Virginia) and 53 (West Virginia).

Virginia-sired horses are only eligible to run in Virginia-bred restricted races, including stakes, if registered with the fund. ★
