## 2005 Virginia Breeders' Fund Bonus Payments

Let's take a look at the 2005 Virginia Breeders Fund program. First, remember that 1 percent of every dollar wagered on Thoroughbred racing in Virginia goes into the Fund, which amounts to about \$1.5 million. Fifty percent of that total goes toward restricted races for Virginia-breds and owner awards; 35 percent to breeder awards and the remaining 15 per-

cent to stallion awards. In 2005, a total of \$1,192,581 was distributed from the Fund.

The Fund was distributed as follows: \$280,000 went toward stakes races at Colonial Downs and Laurel Park; \$286,160 was disbursed to the 50 percent owner awards bonus program during the Colonial Downs meet; \$391,630 was disbursed to breeders of winners at U.S.

tracks; \$167,481 was disbursed to owners of stallions whose progeny also won in the U.S.

One hundred forty breeders won a total of 503 awards, resulting in a 5.5 percentage of the winner's share of the purse. At Colonial Downs, owner awards are included in the purses and are paid down to sixth-place. A total of 107 different owners won 227 awards.

Twenty-one stallions won a total of 155 awards for wins in the U.S., resulting in a 11.5 percentage of the winner's share of the purse. Virginia-sired horses are only eligible to run in Virginia-bred restricted races, including stakes, if registered with the fund. \*
