

2006 Virginia Breeders' Fund Bonus Payments

Let's take a look at the 2006 Virginia Breeders Fund program. First, remember that 1 percent of every dollar wagered on Thoroughbred racing in Virginia goes into the Fund, which amounts to about \$1.5 million. Fifty percent of that total goes toward restricted races for Virginia-breds and owner awards; 35 percent to breeder

awards and the remaining 15 percent to stallion awards. In 2006 a total of 1,077,889 was distributed from the Fund.

The Fund was distributed as follows: \$250,000 went toward stakes races at Colonial Downs; \$283,177 was disbursed to the 50 percent owner awards bonus program during the Colonial Downs meet; \$380,336 was disbursed

to breeders of winners at U.S. tracks; \$164,376 was disbursed to owners of stallions whose progeny also won in the U.S.

One hundred seventeen breeders won a total of 479 awards, resulting in a 6 percent of the winner's share of the purse. At Colonial Downs, owner awards are included in the purses and are paid down to sixth-place.

A total of 104 different owners won 233 awards.

Twenty-two stallions won a total of 123 awards for wins in the U.S., resulting in a 12.5 percentage of the winner's share of the purse. Virginia-sired horses are only eligible to run in Virginia-bred restricted races, including stakes, if registered with the fund. ★
