

# 2007 Virginia Breeders Fund Bonus Payments

Let's take a look at the 2007 Virginia Breeders Fund program. First, remember that 1 percent of every dollar wagered on Thoroughbred racing in Virginia goes into the Fund, which amounts to about \$1.5 million. Fifty percent of that total goes toward restricted races for Virginia-breds and owner awards; 35 percent to breeder

awards and the remaining 15 percent to stallion awards. In 2007 a total of \$1,070,440 was distributed from the Fund.

The Fund was distributed as follows: \$310,000 went toward stakes and restricted races at Colonial Downs; \$241,597 was disbursed to the 50 percent owner awards bonus program during the Colonial Downs

meet; \$419,437 was disbursed to breeders of winners at U.S. tracks; \$99,413 was disbursed to owners of stallions whose progeny also won in the U.S.

Ninety-nine breeders won a total of 474 awards, resulting in a 6.5 percent of the winner's share of the purse. At Colonial Downs, owner awards are included in the purses and are paid down to

sixth-place. A total of 95 different owners won 210 awards.

Twenty-one stallions won a total of 128 awards for wins in the U.S., resulting in a 7.7 percentage of the winner's share of the purse. Virginia-sired horses are only eligible to run in Virginia-bred restricted races, including stakes, if registered with the fund. ★
