

# 2021 Virginia-Certified Developer Bonuses

As of April 1, 2021, the Virginia Thoroughbred Association (VTA) made two changes to the Virginia-Certified program. 1) Developers of Virginia-certified horses earn a bonus of 25% of the winning purse when a certified horse wins at a Mid-Atlantic racetrack (previously the owner of the horse earned the 25% bonus). A Developer is defined as the person or entity listed on the chart as owner when the Virginia-certified horse makes its first start. 2) Developers earn 10% of the winning purse in West Virginia restricted races. Bonuses are paid for wins in NY, NJ, PA, DE, MD, WV and VA and all NSA sanctioned meets in the Mid-Atlantic region. Wins in Virginia restricted races are not eligible for Developer bonuses. There is a \$10,000 cap on any single award.

A Virginia-certified horse is a horse registered by The Jockey Club, conceived, and foaled outside of Virginia but that maintains residency in Virginia for at least six (6) consecutive months prior to December 31 of its 2-year-old year. The horse must reside at a listed Virginia facility, where the horse is available for inspection by a VACTP official.

# 2021 Virginia-bred or Virginia-sired Owners' Bonus Awards

In 2016 the VHBPA and the VTA implemented a new owners bonus program that awards owners of registered Virginia-bred and Virginia-sired horses that win at Mid-Atlantic region racetracks. The owner of a registered Virginia-bred or sired horse earns 25 percent more for a win at a Maryland, West Virginia, Delaware, New Jersey, New York, Pennsylvania or Virginia track. The 25 percent Virginia-bred or sired owner's bonus is also earned for wins at National Steeplechase Association sanctioned meets in the Mid-Atlantic region. There is a \$10,000 cap on any single award. Wins in Virginia-bred or sired restricted races are not eligible for owner's bonuses.
